

Great Canadian Gaming Corporation

Chief Compliance Officer: Ad Copy

For over thirty years, Great Canadian Gaming Corporation (Great Canadian) has been a leading gaming, entertainment and hospitality company focused on providing exceptional entertainment experiences for their guests, rewarding opportunities for their team members, and superior value to their shareholders.

Great Canadian is a rapidly growing, publicly traded company with annualized revenues of over one billion and a market cap of over \$3 billion. Great Canadian has 28 properties across Canada and in Washington State. For its more than nine thousand team members, Great Canadian is a rewarding, dynamic place to work.

Great Canadian has doubled its business in the last 18 months, acquiring several new properties in Ontario with compliance at the forefront of their continued evolution and growth. With the strategic growth and transformation of the organization, Great Canadian continues to recognize the importance of compliance. As a result, the organization is now seeking a new internal senior compliance leader with a mandate to develop, shape and lead a globally recognized compliance function.

The Chief Compliance Officer (CCO) will report directly to the Chief Executive Officer (CEO) and indirectly to the Board of Directors and is responsible for regulatory adherence, gaming compliance (including AML), security and surveillance for all Great Canadian Gaming Corporation properties. The CCO also reports to the Board of Directors on compliance-related matters. The CCO will continue to ensure that the Company is conducting its business in full compliance of all regulations, policies and procedures, professional standards and accepted business practices.

As the ideal candidate you are a pro-active, resourceful, and disciplined compliance professional with over a decade of leadership experience in a compliance or legal role within a heavily regulated and complex environment, preferably with some exposure to the gaming industry either working in house, with a regulator, law firm or professional services firm. Exposure to the gaming industry is a significant asset as is exposure to industries with strong parallels to the complex and strict regulatory context that Great Canadian operates within.

Based in Toronto, this is a tremendous opportunity to have a real impact leading and transforming the compliance function and impact the profession globally.
