

British Columbia  
Securities Commission

### **Investigative Trading Analyst Enforcement Division**

*Centrally located in downtown Vancouver, the British Columbia Securities Commission (BCSC) strives to make the investment markets benefit the public – enabling people to achieve their financial goals, enterprises to grow, and British Columbia to thrive. Through smart rules, diligent oversight, strong enforcement and reliable guidance, we act as guardians of the province’s investment marketplace, striving to make BC a place where people can invest with confidence and companies can flourish. We are an independent agency accountable to the provincial legislature and the public through the Minister of Finance.*

#### **Job Overview**

Are you looking for a new challenge in a position where you can make a real difference? In this role, you will be responsible for complex analytical and support functions in relation to investigations of insider trading and market manipulation offences. Your day will involve reviewing and analyzing trading information, contacting investment dealers, reporting issuers and other market participants, liaising with other securities regulators and stock exchanges, writing detailed reports, and accessing public and non-public information in order to investigate cases. You will report to the Manager, Trading Unit within the Enforcement division.

#### **Qualifications**

The successful candidate has:

- Three or more years of experience in post trade reviews, trading systems and/or trading practices and knowledge of the securities industry, preferably in a Compliance or Analyst role, and a bachelor’s degree in business, criminology, or finance or another related discipline or an equivalent combination of work experience and education;
- Superior interpersonal and oral and written communication skills;
- Strong analytical skills, drive, judgment, initiative and creativity;
- Excellent organizational, prioritization and time management skills;
- Able to work independently and in a team environment;
- Advanced Excel skills.

Other assets include:

- Completion of the Canadian Securities Course
- Experience using Power BI
- Experience handling evidence.

We offer a challenging and rewarding work environment, and a competitive compensation package that includes a defined benefit pension plan and four weeks of annual vacation. Visit <https://www.bcsc.bc.ca/about/careers> to explore this exciting opportunity and apply online by **June 15, 2021**. Competition **21:130**. Candidates must be authorized to work in Canada. Investment restrictions apply. We are an equal opportunity merit-based employer.
